Re: Planning Commission hearing on a Commission Permit for Fields Farm Park to be held on Thursday, September 7, 2006 at 7:00 PM in the Town Office, 130 E. Main Street, Purcellville, VA.

Dear Property Owner,

This is to inform you that the Purcellville Planning Commission will hold a public hearing in the Council Chambers at 130 E. Main Street, Purcellville, Virginia on Thursday, September 7, 2006, at 7:00 PM for the purposes of receiving comment on an application for a Commission Permit (per Article 8, Section 1 of the Purcellville Zoning Ordinance) by the Loudoun County Department of Parks, Recreation & Community Services. The application is to permit development of a portion of the Upper Loudoun Youth Football park on approximately 2.2 acres of the property within the Town limits. The property is located on the east side of Hillsboro Road just north of the Route 7 Bypass and is identified with PIN #522-29-5928. Park facilities within the Town limits would include a pond, timber fishing pier, benches and picnicking areas.

You are being informed of this public hearing because the most recent real estate tax assessment records indicate that you are the property owner of one or more parcels adjacent to the Fields Farm Park property.

A copy of the document is available for review at the Town Office, 130 E. Main Street, Purcellville, Virginia during normal business hours, Monday – Friday, 8:00 AM – 5:00 PM, holidays excepted.

Sincerely,

A handwritten signature in cursive script that reads "Martha Mason Semmes".
